GlobalSIP is a recently launched flagship conference of the IEEE Signal Processing Society. It is made up of a series of symposia and workshops. The conference focuses broadly on signal and information processing with an emphasis on up-and-coming signal processing themes. The conference features world-class speakers, tutorials, exhibits, and technical sessions consisting of poster and oral presentations.

To submit a proposal, send a notice of intent to the VP-Conferences and Conference Services Staff at sps-conf-proposals@ieee.org. Include in the notice your contact information and the proposed location. Staff will issue the proposal submission form and guidelines upon receipt of the letter of intent. The form must be completed and the proposal submitted to sps-conf-proposals@ieee.org by **30 June 2015**. Proposals will be assessed by the Conference Board Executive Subcommittee. Accepted bidding teams [finalists] will be invited to present at the Conference Board meeting held at ICIP 2015, 27-30 September 2015 in Quebec City, Canada.
