CALL FOR PROPOSALS
ICASSP 2019

The IEEE Signal Processing Society is accepting proposals for the 2019 IEEE International Conference on Acoustics, Speech and Signal Processing (ICASSP®). SPS Members are invited to submit a proposal to host ICASSP. If you are interested in submitting a proposal please contact Nicole Allen to get the forms and guidelines.

ICASSP is the world's largest and most comprehensive technical conference focused on signal processing applications. The series is sponsored by the IEEE Signal Processing Society and has been held annually since 1976. The conference features world-class speakers, tutorials, exhibits, and over 120 lecture and poster sessions. ICASSP is a cooperative effort of the IEEE Signal Processing Technical Committees:

- Audio and Acoustic Signal Processing
- Bio Imaging and Signal Processing
- Design and Implementation of Signal Processing Systems
- Image, Video, and Multidimensional Signal Processing
- Information Forensics and Security
- Machine Learning for Signal Processing
- Multimedia Signal Processing
- Sensor Array and Multichannel
- Signal Processing for Communications and Networking
- Signal Processing Theory and Methods
- Speech and Language Processing
- Standing Committee on Industry DSP Technology

To submit a proposal, send a notice of intent to bid to the Vice President – Conferences and the Conference Service Coordinator using the email addresses as shown below. Include in the notice your contact information and the proposed location. The Signal Processing Society Conference Services staff will issue the proposal submission form and guidlines upon receipt of the letter of intent. The form must be completed and the proposal submitted to the Conference Services staff by **21 March 2014.** Proposals will be assessed by the Conference Board Executive Subcommittee. Accepted bidding teams [finalists] will be invited to present at the Conference Board meeting held at ICASSP 2014, May 4-9, 2014 in Florence, Italy.
