

## CALL FOR PROPOSALS ICIP 2020

The IEEE Signal Processing Society (SPS) is accepting proposals for the 2020 IEEE International Conference on Image Processing (ICIP®). SPS Members are invited to submit a proposal to host ICIP. If you are interested in submitting a proposal please reference our guidelines for preparing and submitting a proposal:  
[http://www.signalprocessingsociety.org/uploads/conferences/ICIP\\_Proposal\\_Guidelines.pdf](http://www.signalprocessingsociety.org/uploads/conferences/ICIP_Proposal_Guidelines.pdf)

ICIP is the premier international forum for the technological advances and research results in the fields of theoretical, experimental, and applied image and video processing. The series is sponsored by the IEEE Signal Processing Society and has been held annually since 1994. Research frontiers in fields ranging from traditional image processing applications to evolving multimedia and video technologies are regularly advanced by results first reported in ICIP technical sessions. Topics included, but are not limited to:

- Image/video coding and transmission
- Image/video processing
- Image formation
- Image scanning, display, and printing
- Image/video storage, retrieval, and authentication
- Applications

To submit a proposal, send a notice of intent to the Vice President – Conferences and Conference Services Staff at [sps-conf-proposals@ieee.org](mailto:sps-conf-proposals@ieee.org). Include in the notice your contact information and the proposed location. Staff will issue the proposal submission forms upon receipt of the letter of intent. The forms must be completed and the proposal submitted to [sps-conf-proposals@ieee.org](mailto:sps-conf-proposals@ieee.org) by **30 June 2015**. Proposals will be assessed by the Conference Board Executive Subcommittee. Accepted bidding teams [finalists] will be invited to present at the Conference Board meeting held at ICIP 2015, 27-30 September 2015 in Quebec City, Canada.
