# SigPort and Me

Promotion Slides

What is SigPort?

	SPS EDICS?	Society Supported Promotion	Presentation Slides Posters	Available before publication	What's for me?
SIGPORT	Yes	Yes	Yes Welcoming	Yes	**Showcase**
arXiv.org	No	No	Possible not popular	Yes	**Nice Storage** How often search papers on arXiv?
R^G	No	No	No	No	**Social Networking Site** A lot of emails. Do you read them?
IEEE Xplore DIGITAL LIBRARY	Yes	Yes	No**	No*	**Digital Library** For peer reviewed content Not everyone can access it

IEEE
Signal Processing Society

SigPort is my Showcase

- I put so much effort on the nice posters and slides. Now, my colleagues can see them and quickly grab the main ideas.

- I don't need to wait for formal publication, to have my work timestamped, seen, and cited by colleagues.

- When my work gets popular, my society helps to promote my work!

What Can I do for SigPort

15 minutes

5 minutes – Watching the tutorial video

https://youtu.be/MuhnXNRN-GI

5 minutes - Upload your conference presentation slides/posters

5 minutes – Let you friends know that your slides/posters are on SigPort.
